PLEASE READ BEFORE SIGNING: The terms "I" and "My", where contained herein this agreement, apply to all parties signing below as applicants.

I am submitting this Loan Application to Technicolor Federal Credit Union (TFCU) for the purposes of obtaining credit, credit accounts, and/or services that I have requested, with such credit limits that I have requested, or such higher limits that TFCU may approve. I do certify that all statements made on this Loan Application are true, complete and accurate representations of my present financial condition. I understand that it is a crime to willfully and deliberately provide incomplete or incorrect information to obtain credit. It is a violation of Section 1014, Title 18, U.S. Code, to make a false statement or overvalue security for the purpose of influencing the action of any federally insured Credit Union.

Technicolor Federal Credit Union (TFCU) and its agents may verify this information from whichever sources it deems necessary, and may, now and in the future, provide others with information regarding my credit history with TFCU, to the extent permitted by law. TFCU may also obtain credit reports to update, increase, extend or renew credit with me. False or misleading statements in my application may cause any loan to be in default. I will notify the Credit Union in writing immediately of any changes in my name, address or employment. If I request, I will be provided with the name and address of any credit bureau from which TFCU received a credit report. I understand and agree that TFCU may retain this application and any other credit information that TFCU may receive and that I waive my right to confidentiality of TFCU's records with the California Department of Motor Vehicles (DMV) and authorize TFU to obtain information from the DMV.

If approved, collateral securing other loans I have with the credit union (except for loans secured by household goods or any dwelling) will also secure this loan. I acknowledge receipt of my copy of the open-end loan disclosure and the current rate and fee schedule of Technicolor Federal Credit Union, and I promise to repay all moneys borrowed pursuant to this plan in accordance with that Agreement. If I am in default on a financial obligation to TFCU, federal law gives TFCU the right to apply the balance of shares and dividends in my account(s) (except IRA Accounts) at the time of default to satisfy that obligation. Once and if I am in default, TFCU may exercise this right without any further notice to me. If I have requested joint credit with my spouse or other co-applicant(s), I understand and agree that all applicable agreements shall be binding on both of us, jointly and severally. This application remains the property of TFCU even if my request for credit is denied.
